All this weekend your brothers in white are praying for you that you might experience the joy of the Lord. Our prayers carry hope that you will come to know God in a new and mighty way. Our faith is in His Faithfulness. Our experience is that He's moving in your lives already. The way before you has been paved with a greater love than you or I could ever hope to share. So as you journey, be aware of His overflowing love for you.

" For I was hungry and you gave me food, I was thirsty and you gave me drink, I was a stranger and you welcomed me, I was naked and you clothed me, I was sick and you visited me, I was in prison and you came to me."
